DECLARATORY RESOLUTION NO. 247-1912.

For the opening and extending of Harrison Street from its northern terminus on the south side of the St. Mary's River as laid out and platted in Hanna's Addition to its southern terminus at First Street, as laid out and platted in Northside Addition, also for the opening and extending of Harrison Street from Sixth Street to the south line of Putnam Street (as laid out and platted in Becks Addition), produced East until it intersects with the East line of the proposed opening and extending of Harrison Street North of Sixth Street.

RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, That it is desired and deemed necessary to open and extend Harrison Street, in the City of Fort Wayne, County of Allen and State of Indiana, from its northern terminus on the south side of the St. Mary's River as laid out and platted in Hanna's Addition to its southern terminus at First Street as laid out and platted in Northside Addition; said opening and extending as herein described to be made by condemning and appropriating for street purposes a tract of land sixty-six (66) feet in width extending twenty-five (25) feet west of and forty-one (41) feet east of and parallel to the following described line. Commencing at a point in the center line of Harrison Street ten (10) feet and seven tenths (0.7) of a foot north of the north line of First Street, thence, in a southeasterly direction five hundred and ninety-five and four tenths (595.4) feet to the northern terminus of Harrison Street on the south side of the St. Mary's River, also said opening and extending of said Harrison Street north of Sixth Street is to be made by condemning and appropriating for street purposes a tract of land fifty (50) feet in width described as follows, commencing at the south east corner of Lot No. 199 Northside Addition. Thence North parallel with the west line of Harrison Street to the south line of Putnam Street produced East as described above. Thence east fifty (50) feet, thence south parallel with the west line of Harrison Street to the north line of Sixth Street, thence west fifty (50) feet to the place of beginning.

All of the above described lots and tracts of land being situated in the north east fractional quarter of Section 2, Township 30, North Range 12 East and lots Nos. 7 and 8 Wells Reserve, Township 30, and 31 North Range 12 East, Allen County, Indiana.

All as shown by a plan of such proposed opening and extending of Harrison Street as above described now on file in the office of the Department of Public Works of said City.

The property which may be injuriously or beneficially affected by the opening and extending of Harrison Street as above described is described as all lots and parcels of land not occupied by streets or alleys lying south of the St. Mary's River, west of a line that is half way in distance between Calhoun Street and Harrison Street, north of Lewis Street and east of a line that is one hundred and eighty-five (185) feet west of Harrison Street, also all lots or parcels of land not occupied by streets or alleys lying north of the St. Mary's River, east of a line that is halfway in distance between Cass Street and Harrison Street and said described line produced south to the St. Mary's River and produced north to the south line of Putnam Street produced East to the East line of Calhoun Street, produced north, south of the south line of Putnam Street, produced East and west of a line that is half-way in distance between Calhoun Street and Harrison Street and said described line produced ^{north} to the south line of Putnam Street, produced east and said line produced south to the south line of First Street, produced east, Thence southeast on a line to a point that is halfway in distance between Calhoun Street and Harrison Street south of the St. Mary's River.

Adopted this 30th day of September 1912.
